PROJECT UPDATE: Release of FAA Las Vegas Metroplex Final Environmental Assessment and Public Comment Period

Dear «Title» «Last_Name»,

The Federal Aviation Administration (FAA) has completed a Final Environmental Assessment (Final EA) for the Las Vegas Metroplex Project. The Final EA responds to public comments the agency received and discloses additions and changes to the Draft EA, issued on November 18, 2019, and the Correction to the Draft EA (Correction Document), issued on December 6, 2019.

The Final EA includes updates to the Proposed Action Alternative described in the Draft EA and its attendant Correction Document. These updates are described in Chapter 3 “Alternatives,” Section 3.2.2.1, of the Final EA. In light of the updated Proposed Action Alternative, the FAA is holding a 14-day public comment period, starting on June 8, 2020, and concluding on June 22, 2020. The comment period will be limited to the updates to the Proposed Action Alternative.

The Las Vegas Metroplex Project aims to improve the efficiency of the airspace around Las Vegas by optimizing aircraft arrival and departure procedures at McCarran International Airport, Henderson Executive Airport, and North Las Vegas Airport.

Availability: The Final EA is available at the following locations:

- 1) Online at: <http://metroplexenvironmental.com>.
- 2) Electronic versions of the Final EA have been sent to 27 libraries in the General Study Area with a request to make the digital document available to patrons. A complete list of libraries with electronic copies of the Final EA is available online at the website link above and is presented below. Note: The FAA recognizes that libraries might be closed during the public comment period due to the Covid-19 public health emergency and, therefore, availability through these libraries may be impacted.
- 3) Or, if you are unable to access the Final EA through one of these means, email 9-las-metroplex-ea@faa.gov or call Ryan Weller at 206-231-2286.

If you wish to provide comments on the updates to the Proposed Action Alternative, please provide them by mail or by email through June 22, 2020, via the following:
