

Public Notice of Availability: Correction to the Draft Environmental Assessment for the Federal Aviation Administration's Proposed Las Vegas Metroplex Project

Summary: The Federal Aviation Administration (FAA) is issuing this notice that it has prepared and is making available for public review and comment the *Correction to the Draft Environmental Assessment for the Las Vegas Metroplex Project* (Correction Document).

The FAA's proposed action for the Las Vegas Metroplex Project would improve the efficiency of airspace in the Las Vegas area by optimizing aircraft arrival and departure routes at McCarran International Airport, Henderson Executive Airport, and North Las Vegas Airport. The FAA released the Draft EA for the Las Vegas Metroplex Project on November 18, 2019. The Correction Document identifies changes to specified portions of the Draft EA to incorporate information that was inadvertently omitted and make other corrections.
