**PROJECT UPDATE: Release of FAA Las Vegas Metroplex FONSI/ROD**

Dear Recipient:

The Federal Aviation Administration (FAA) has previously issued a Final Environmental Assessment (EA) to analyze the potential environmental impacts of the Las Vegas Metroplex Project. The Las Vegas Metroplex Project aims to improve the efficiency of the airspace around Las Vegas by optimizing aircraft arrival and departure procedures at McCarran International Airport, Henderson Executive Airport, and North Las Vegas Airport.

Based on the information and analysis contained in the Final EA, the FAA has issued a Finding of No Significant Impact/ Record of Decision (FONSI/ROD) for the project. The FONSI/ROD documents the FAA's determination that the project, as proposed, would not significantly affect the quality of the human environment, and that an Environmental Impact Statement (EIS) is therefore not necessary. The FONSI/ROD documents the FAA's decision to proceed with the preferred alternative detailed in the EA.

**Availability:** The Las Vegas Metroplex FONSI/ROD is available at the following locations:

- 1) Online at: <http://metroplexenvironmental.com> and [https://www.faa.gov/air\\_traffic/community\\_involvement/las/](https://www.faa.gov/air_traffic/community_involvement/las/)
- 2) Electronic versions of the FONSI/ROD have been sent to 27 libraries in the Las Vegas Metroplex General Study Area, with a request to make the digital document available to patrons. A complete list of libraries with electronic copies of the FONSI/ROD is available online at the website link above and is presented below. Note: The FAA recognizes that libraries might be closed due to the Covid-19 public health emergency and, therefore, availability through these libraries may be impacted.
- 3) Or, if you are unable to access the FONSI/ROD through one of these means, email [9-las-metroplex-ea@faa.gov](mailto:9-las-metroplex-ea@faa.gov) to request a copy of the document.

Sincerely,

**BYRON G Y  
CHEW**
